Driving down the mountain late Friday afternoon, away from Manyiseni, I was filled with a lot of emotions. Gratitude to the Lord for sending us, the privilege of experiencing the love and appreciation of people, the keenness of the disabled to learn and help, the joy of people giving their hearts to Jesus.

We would like to visit them again as they really need help. Please pray for them.

Thank you for all the prayers.(we witnessed a gruesome taxi collision, our plane had to abort one landing due to bad weather coming in to PE, etc.)

TO THE LORD ALL THE GLORY
