A photograph of a rural landscape. In the foreground, there is a concrete foundation for a building. To the right, there is a small building with corrugated metal walls and a wooden door. The background features rolling green hills and mountains under a cloudy sky. The text is overlaid on the image in a large, bold, black font.

**Dear Friends  
Thank you for all the  
individuals and businesses  
who made contributions  
towards building the new  
Grade R class at  
Langfontein. Every Rand  
are really valued**

**Friday morning we  
erected the framework**

**Fitted the Windows and door**

A photograph of a wooden frame structure under construction on a grassy hillside. The structure features a gabled roof and several windows. The text "At 1 when we left the structure was standing" is overlaid in the center. A bucket is visible on the ground near the structure.

**At 1 when we left the structure was standing**

**Saturday morning the A  
team joined me to help  
with the cladding  
They are all retired and  
are well past the 70 mark**

**We divided into two teams,  
one completing the roof  
and the other doing the  
cladding**

**The new and old**

**At 3 when we left on Saturday the inside had been completed bar the ceiling and only the gables remained on the outside**

A photograph of a small, single-story building with a corrugated metal roof and a white door, situated in a grassy field under a cloudy sky. The building appears to be under construction or recently completed, with wooden framing visible around the door and roofline. The text is overlaid on the image in a large, bold, black font.

**Thank you for your  
support and prayers  
To The Father all the  
Glory**
